🌍 ANIMALS

Animals Around the World

Animals live all over our big world!

✏️ Draw a line from each animal to the continent it calls home!

Panda
munches bamboo

Lion
king of beasts

Penguin
waddles on ice

Kangaroo
hops with a pouch

Eagle
soars up high

📍 **Antarctica**
icy and cold

📍 **Asia**
biggest continent

📍 **Australia**
down under

📍 **North America**
forests and plains

📍 **Africa**
savannas and deserts

👨‍👧 Parent key: Panda → Asia • Lion → Africa • Penguin → Antarctica • Kangaroo → Australia • Eagle → North America

🌟 Wow, world traveler! Animals live on every continent of our Earth! 🌍
