# Astronaut Gear

Match each piece of gear to its job!

✏️ Draw a line from each piece of astronaut gear to what it is for. Start at the pink dot!

| | |
|---|---|
| Helmet | to walk on the Moon |
| Gloves | to breathe |
| Boots | to grab things |
| Backpack | protects your head |

👨‍👧 Parent key: Helmet → protects your head • Gloves → to grab things • Boots → to walk on the Moon • Backpack → to breathe.

🌟 Blast off! You know exactly what an astronaut needs in space!
