🍦 CONE ACTIVITIES

All About Cones!

Pointy top, round bottom.

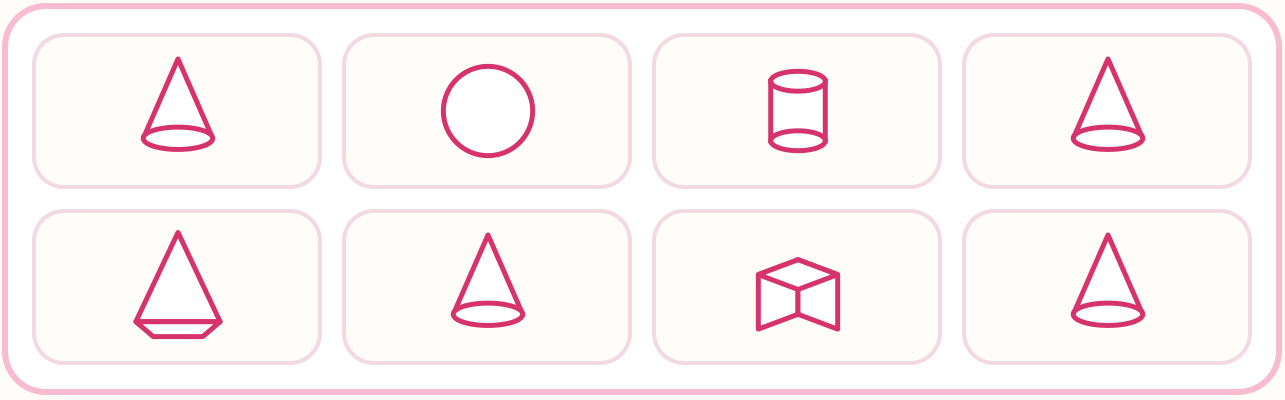

🍦 Color the cones! A cone has one round flat bottom and sides that meet at a single pointy point on top.

👩‍👧 Parent tip: An ice cream cone makes this unforgettable. Point to the round bottom (where the ice cream sits) and the pointy tip — those two features ARE the cone.

🎨 Color the cones!

🔍 Find & circle all the cones!
