🔢 COUNTING FUN

🔺 Count Triangles Activity

Count the triangles and write the numbers!

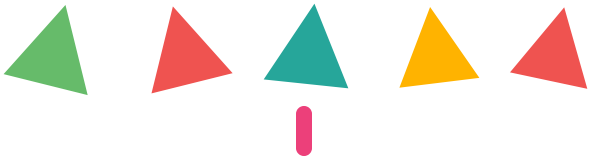

🔢 1) Point to each triangle and count out loud: 1, 2, 3… 2) Write how many you counted in the box! 3) Trace numbers 1–10. Grown-up tip: touch each shape as you count — no skipping, no double-counting!

🔢 Count every triangle!

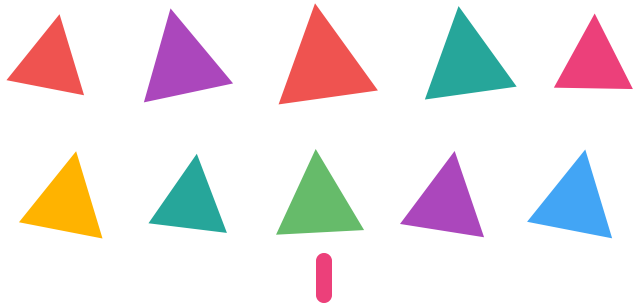

I counted ☐ triangles! ⭐
