✍️ PRE-WRITING PRACTICE

Direction Practice

Left to right, top to bottom — writing direction!

🖌️ Start at the green dot and follow each arrow. We write from left to right and top to bottom!

Follow the arrows — always left to right!

Now go down — top to bottom!

Trace the long arrows all the way across!

And down the tall arrows!

➡️ Writing goes left-to-right, top-to-bottom. Arrows teach little hands the right direction!
