✍️ PRE-WRITING PRACTICE

Finish the Drawing

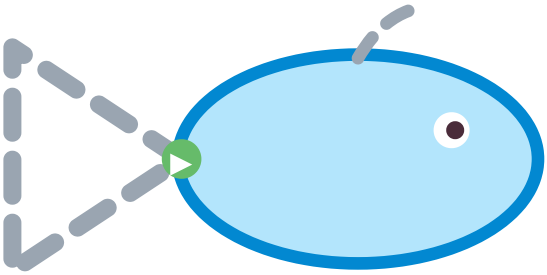

Half the picture is done — you finish it!

🖌️ Each picture is missing something! Trace the dotted lines to complete it, then color it in.

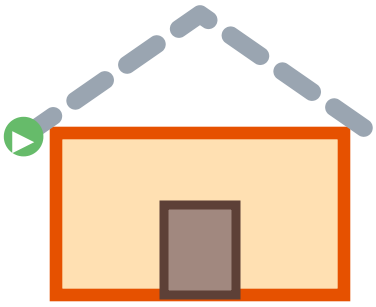

Finish the sun — draw the missing rays!

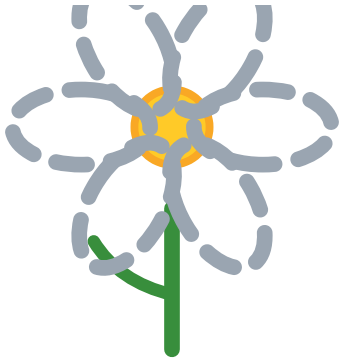

Finish the fish — draw its tail!

Finish the house — draw the roof!

Finish the flower — draw the petals!

🎨 Trace the dotted parts, then color your finished pictures. You're an artist!
