💧 WEATHER ACTIVITIES

Rain & Water Cycle

Follow a raindrop on its big adventure!

✏️ Write 1, 2, 3, 4 in the circles to put the water cycle in order — what happens first?

🌧️ The journey of a raindrop 💧

Water flows in rivers to the sea

⬇

Clouds form up in the sky

⬇

The sun heats the water

⬇

Rain falls down from the clouds

💡 Fun fact: The water in your cup may have been a raindrop long ago!

👩‍👧 Parent key: 1 ☀️ sun heats the water, 2 ☁️ clouds form, 3 🌧️ rain falls, 4 🌊 water flows to the sea.

🌟 Splish splash! You followed the raindrop all the way around!
