🧊 SHAPE LEARNING

3D Shapes

Shapes you can hold in your hand!

🖍️ These shapes are 3D — that means they pop out, like real toys! Point to each one and say its name.

Cube 🧊

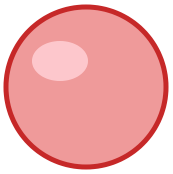

🎲 Like a dice or a building block!

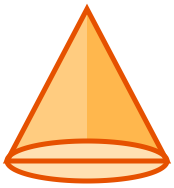

6 flat square faces • 8 corners

Sphere ⚽

⚽ Like a ball or an orange!

Perfectly round all over • rolls everywhere!

Cone 🎉

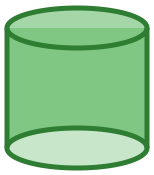

🎉 Like a party hat or ice cream cone!

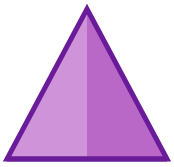

Pointy on top • round on the bottom

Cylinder 🥫

🥫 Like a soup can or toilet paper roll!

2 circle faces • rolls on its side

Pyramid 🔺

🏜️ Like the pyramids in Egypt!

Triangle sides • 1 pointy top

🌟 Shape hunt! Walk around your home and find one thing shaped like each 3D shape!
