🔄 PATH TRACING

Simple Mazes

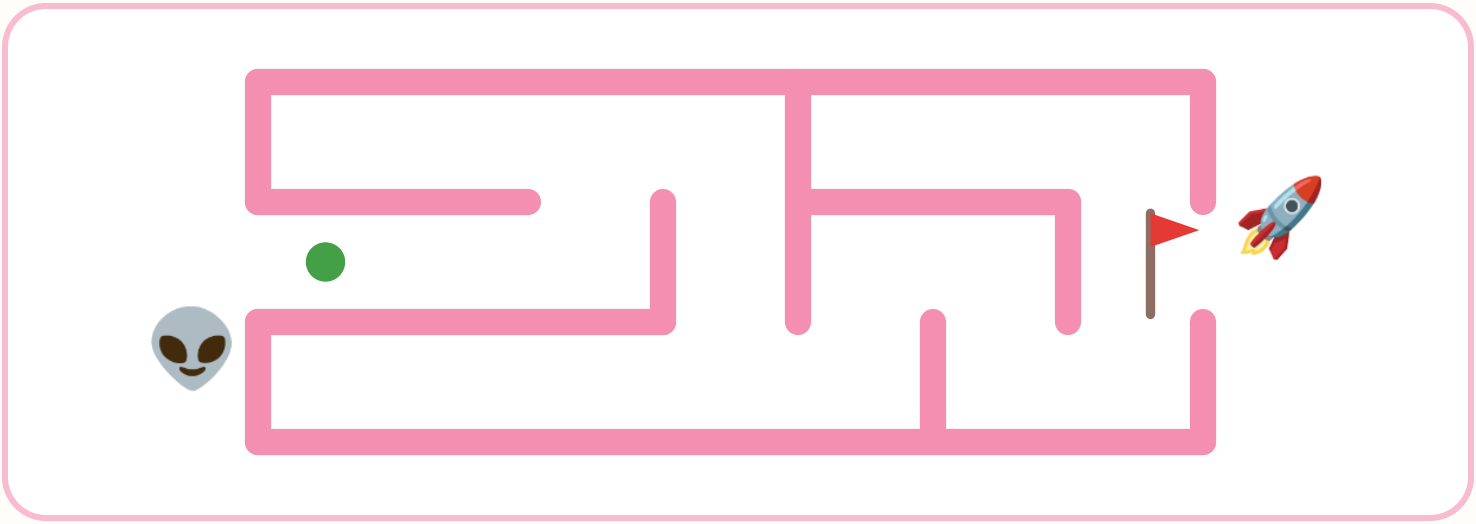

Can you find the way through?

🖌️ Look at the maze first, then draw your path from the green start dot to the red finish flag. Don't cross the pink walls!

Maze 1: Help the mouse find the cheese! Enter on the left.

Maze 2: Guide the alien to the rocket!

🧭 Mazes build planning and pencil control. Trace the path with a finger first, then with a crayon!
