🛡️ SAFETY FIRST

Safe or Not?

Talk through each story — then mark it safe or not!

💬 Read each story with a grown-up. Color the circle ✅ green if SAFE, ❌ red if NOT safe!

A teacher you know says hello at school.

A stranger offers you candy at the park.

A police officer helps you find mom.

Someone you don't know asks you to come with them.

👨‍👧 Parent key: SAFE — a teacher you know says hello; a police officer helps you find mom. NOT safe — a stranger offers you candy; someone you don't know asks you to come with them.

💡 Safety rule: if you feel unsafe, yell "NO!", run to a trusted grown-up!
